Dear Sir:

This letter is a **REQUEST FOR REVIEW** for Beaumont Unified School District, Entity Number 143679, for **CC Docket No. 02-6**.

We are appealing the decision of the SLD for the above applications. We were denied because of Year 6 Selective Review information was not submitted in a timely manner. There was no record in the SLD database that we had an extension. Attached is a copy of communication with our SLD reviewer, Mr. Michael Deusinger, who states we did have an extension and we did honor the agreed timeline.

We would like the FCC to direct the USAC to process these applications and accept the documentation submitted on June 26, 2003.

Thank you very much

Lee Hackney

Procedurally I am not able to send you back what you sent me. The appeals process should not be cumbersome. You have already sent in documentation so it is just a matter of writing the appeal letter. Again, I would appeal based on the fact that you were led to believe in verbal conversations with myself that you had until July 1 to respond and responded accordingly. Then reference the documentation you sent in.

Can you send me back all my documentation. I will have to appeal in August as I am leaving today. Is the appeal process cumbersome? Lee

It unfortunately is out of my hands at this point. The appeals process is explained on the funding commitment decision letters. If you do wish to appeal I would recommend appealing based on the fact that you thought you had until July 1 to reply and responded accordingly. Then reference the documentation you sent in.

Mr. Deusinger,
I expected, per our phone conversations, that I had until July 1 to finish the process. We were having trouble with our budget and you told me to get it to you by July 1. What do I need to do to go through the appeals process? This whole time I thought I had until July 1. I don't think you made it very clear. This appeals sounds like a lot of time...can you help me??

The selective review was closed out. If you have received funding commitment decisions letters or when you do receive letters and you wish to appeal any decision you would need to go through the appeals process.
